

# The Road Not Taken: Analyticism and Configurational Analysis in IR

Patrick Thaddeus Jackson • American University  
APSA 2010

		Relationship between knowledge and observation	
		phenomenalism	transfactualism
Relationship between the knower and the known	mind-world dualism	neopositivism	critical realism
	mind-world monism	analyticism	reflexivity

1. rooted in values

2. not falsifiable or verifiable

3. case-specific analytic narratives
